

Scoil Bhríde Cailíní in Blanchardstown what a great place to be!
Beginning junior Infants with Ms Kearney, we cherish every memory
Since then we have been together for eight marvellous years
With Mr Maguire, Ms Shine and Mr Devlin, Sharing our hopes, dreams and fears

The years have been so wonderful, the time has gone so fast
We've learned so much, had so much fun, the time's just whizzed right past
We've achieved so much and did our best and for that we deserve a cheer
Swimming, rugby and skipathons are some of the memories we hold onto so dear

In Ms O Connor's senior infants, we reached our musical targets
Working with Orla in room 13, we became fantastic artists
Creating our multilingual cookbook, the recipes that we shared
Singing carols with Ms O'Reilly for charity, to show how much we cared

When September comes, we know that there will be a big change
And we'll admit that at the start, a new school will feel very strange
But we're more than ready to move on to something exciting and new
And our confidence and courage will of course see us through

Thinking of school trips, plays and sports days at moments like this
Reminds us of what fun we have had and the friends that we will miss
Scoil Bhríde Cailini will always hold a big place in our heart
For the wonderful times that we have had here, right from the very start

One thing we definitely will remember and apply to everything we do
Is Scoil Bhríde's motto "Treat others as you would like them to treat you"
